The Holstein Black Pirates concluded their 1959 season with the Maple Valley conference championship. The Pirates were defeated in the first game of the season by Alta 27 to 7. This game was non-conference. Coming to the next game, Holstein swamped Moville 34 to 0. Onawa won over the Pirates by a score of 14 to 13. This game was also non-conference. Logan fell to Holstein by a score of 28 to 0 on the local gridiron. This game was postponed once because of bad weather.

Marcus was the second biggest game of the year and Holstein won 7 to 6 on the local field. A fine exhibition of playing was shown in this game. Neither team scored during the second half of this game. Correctionville fell to the Pirates with the score ending 48 to 7. The Kingsley game was the highlight of the season. Until the time they played, both teams were undefeated and the winner of this game would decide the conference championship. The Pirates, from the very first of the game, held the upper hand. They played very good ball and made an impressive victory with the score 41 to 19. Due to adverse weather conditions, the final game of the season was cancelled, making the game an automatic forfeit.

The Pirates concluded a most remarkable season, one that will be remembered by them for some time. Memories of winning the Maple Valley Conference once more will stand with them for some time.

The Holstein "B" squad got off to a bad start in the 1959 season. They were beaten by Aurelia 19 to 0. The next game with Odebolt proved to be a very rugged defensive battle. Holstein allowed them only three first downs the whole game and came out on top 13 to 0.

The next game with Storm Lake, which was played on the local field, was very exciting. Holstein led all the way until the last seconds of the fourth quarter. The Tornadoes took the kick-off and went the distance for the winning touchdown. The game ended 18 to 20. The last game of the season with the Kingsley Bombers, was the highlight of the season, the "Little Pirates" coming out on top 33 to 0.

The Holstein Black Pirates were very successful through the 1959-1960 basketball season, winning 16 games and losing 7. The Pirates first six averaged 6'1" in height and scored an average of 61.2 points a game while their opponents scored 51.1 points a game. The shooting percentage was 40.6 per cent for field goals and 54.4 per cent for free throws. The great height of the Pirates came in handy and they grabbed 1121 rebounds to their

opponents' 727.

The Pirates opened their season on the wrong foot when they lost to Aurelia 51 to 71. They bounced right back and won the next three games, but then they were defeated by Anthon-Oto by three points. The Pirates won the next three games with Danbury, C'ville, and Battle Creek but were stopped by Lake View and Quimby. They came back to beat Mapleton and Moville by margins of 67 to 42 and 93 to 48. In the Maple Valley Tournament Holstein defeated Moville and Marcus but lost the championship game to Anthon-Oto. The Pirates won 4 out of their last 5 regular season games. In the first round of the sectional tournament the Pirates upset the Braves of Cherokee 59 to 60. In the second round they defeated Alta 81 to 59, while in the regular season Holstein won by I point. In the final round of the tournament the Pirates could not keep up with a strong Storm Lake squad and lost 48 to 54.

"B" SQUAD

The Holstein second team ended another season of play with five wins and four losses.

The team's total number of points for the year was 415, with a game average of 46 points a game. The total number of points that the opponents teams made was 328. A margin of 89 points was scored over the rival teams this year.

Many of the boys on the "B" squad showed much improvement this year and, no doubt, will be a great aid to the regular varsity team next year.

"Girls Are Like That"

Virginia Poole patiently awaits the time when her fiance, Tommy Davis, rturns home from college for the marriage that Aunt Jane has for years been planning for the two. When Tommy wires home that he has decided against marriage, things really bounce and Mary Jane, Virginia's little sister, 'fixes' another marriage with a famous radio announcer, Jack Everett, whom Virginia has never met.

There is more help than is really needed when Lillian Root, a helpful girl friend, also arranges for Virginia a marriage with Lillian's find, a new boy, Jimyy Shields, from Chicago. Everyone is trying to help Virginia to pose as a girl ready for a successful marriage. (Aunt Jane has promised a large sum of money to Virginia on her marriage.)

The play becomes very exciting and hilarious when Virginia tries to pose with two fiances and

three when Tommy Davis finally decides to return home for the marriage. There is much confusion and entertainment but the audience finally sees that Virginia ends up with Jack Everett just before Aunt Jane sprains her ankle, and Mary Jane is chastized for her meddlesome pranks.

"For The Love of Pete"

"FOR THE LOVE OF PETE"

Holstein High School auditorium was in a spirit of gaiety on the evening of April 5 when the senior class play, "For the Love of Pete," was presented.

The setting of the play was in a school called Hudson

The setting of the play was in a school called Hudson High School and the cast members all portrayed seniors in high school.

The story centered around an irrepressible news hound, Scoop Cramer, who cared little or nothing about girls, a new girl in Hudson High School. Eugenia Patrick, who managed to win Scoop's love, and the trouble caused by the class bookworm, Pete Anderson, when he tried to teach the star football player, Spider Kowalski, how to throw passes (football). In the action of Spider's fake pass practice in the high school counseling room, the high school principal, Mr. Norris, was socked and Spider's parents, Mr. and Mrs. Kowalski, had to "get him off the hook," when he was suspended.

Other characters were: Pete's girlfriend, Pauline; Spider's ex-girlfriend, Sally Ann Martin; Sally's two nosy classmates, Jeannie Everett and Norah Lane; and one of the "odd-balls" of the H.H.S. faculty, Miss Bertha Collins.

The play was enjoyed by a very large and amused audience.

HOMECOMING

The Royalty (from left to right) Jon Stoneking, Mary Mohr, Roberta Boothby, Marilyn Christiansen, Tom Keitges, Fred Goettsch, Jerry Jochims, Connie Downs.

At 8:00 p. m. on October 8 the 1959 Homecoming festivities at Holstein High School began. The evening's show consisted of a series of pep skits presented by the various high school classes.

The first skit, presented by the sophomores and also the prize winning skit for originality, was entitled the Night Before Homecoming, and was very amusing and enjoyable. The freshmen presented the second skit, portraying a hilarious group of spectators at the Holstein-Marcus football game. Next was the skit presented by the senior class which was a replica of the TV show, Person to Person, and staged an interview with Coach Kraai and his family. Last, but not least, was the skit presented by the juniors, entitled, The Mummy, which was also enjoyed immensely. The second part of the program featured several of the Holstein High School music groups. Those performing were the dance band, mixed chorus, and boys' and girls' glee clubs. The music was especially chosen to supplement a narrative reading and provided a large amount of enjoyable listening entertainment.

Finally, and perhaps the most spectacular part of the program was the coronation of the royalty. The royalty entered the auditorium through an aisle of chorus members holding lighted candles. They then walked to the stage where each member of the royalty took his or her place to be presented and crowned.

Tom Keitges was crowned King of the 1959 Homecoming festivities and Marilyn Christiansen was crowned Queen of The Homecoming. Crowned as first attendants to the king and queen were Fred Goettsch and Roberta Boothby. Second attendants to the king and queen were Jerry Jochims and Mary Mohr. The royalty was serenaded by the dance band and left the stage to the music of Holstein High School's coronation song.

The next day, Friday, October 9, at a high school pep assembly, guest speaker, Mr. Bernie Saggau, addressed the students in a rousing speech to send the football team that night to a decisive 7-6 victory over Marcus. It was the 5th straight win of the season.

At the half-time of the game, the Homecoming game, the

royalty was again presented to the spectators.

After the game that evening the pep council sponsored a dance for the high school students at the Legion Hall to celebrate the football victory and also to bring to a close the festivities of the 1959 Holstein High School Homecoming.

Junior-Senior Prom

At 7:00 on April 22, the date of the 1960 Junior-Senior Prom, the many spectators started pouring in to see the beautiful decorations which the junior class had created under the theme, "Under the Sea."

As one entered the auditorium from the northwest he passed in front of the mouth of a large whale; or, if entering from the southwest entrance, one would pass under the tail of the large whale that almost covered the entire west side of the decorated 'ballroom.'

Continuing eastward from the tail of the whale, to the south one could enter a small cove with a very beautifully painted mountain facing the entrance and numerous fish along the sides.

Farther east was the refreshment and lounge area in the frame or hull of a sunken ship and also lined with aqua crepe paper and many more beautiful deep sea fish.

On the stage was seated the Johnny Galvin Dance Orchestra. A large anchor lead from the stage to the gym floor. To the north of the stage was located a large sea chest filled with sunken treasure. To the west again, in front of the mouth of the whale, was another large area beautifully decorated for lounging. Perhaps the most unique and intriguing part of the decorations, was the very large, black octopus in the center of the dance floor, with eight moving limbs and

two large red eyes.

The dancing began at 8:30 with the use of signed dance programs and continued until 11:00 when Tom Keitges and Marilyn Christiansen were crowned Prince and Princess of the 1960 Junior-Senior Prom. Tom received a tie clasp and cuff links and Princess Marilyn received a beautiful smoked pearl ring and a rose bouquet.

The dancing continued until 12:30 when the eventful evening led the juniors and seniors and their dates to the State Theatre where the Band Mothers were ready to entertain them with a movie. Later the party moved to the Legion Hall for dancing and a very delicious breakfast, also served by the tireless Band Mothers.

The Junior-Senior Prom of 1960 was an event that will be long remembered in the minds of the juniors and seniors of H.H.S.

Senior Skip Day

On Wednesday, May 18, thirty-four seniors left for Omaha by chartered bus at 6:30 a.m. Upon reaching their destination, their first stop was the Union Pacific Museum. Here they saw many interesting relics of the old railroad days.

Their next stop was the Omaha Airport where they watched planes reload and take off. Also, they visited the control tower.

After lunch they went to Boy's Town. Here they saw the boys learning different trades, the gymnastic facilities, and the chapel. The seniors found Boy's Town to be interesting and educational.

Upon returning to the city, they had one half-hour to shop. Then they returned home, stopping at the Biltmore at Sioux City for supper. They arrived home feeling very tired but with many pleasant memories of their exciting day.
